

**DA - Revised Version 3)**

'dhammacakka' (the wheel of dhamma) OR 'the wheel of paṭiccasamuppāda' or 'the wheel of vipassanā'.

1. Enclosed kindly find a diagram of 'dhammacakka' (the wheel of dhamma) which may also be called 'the wheel of paṭiccasamuppāda' or 'the wheel of vipassanā'.

This dhamma-wheel may be said to be the diagrammatic presentation of the entire process of vipassanā-dhamma or paṭipatti-dhamma as taught by Sayagyi U Ba Khin & Ācariya S. N. Goenkaji both from sutta as well as abhidhamma perspectives. This diagram may also be covering the essence of the paṭiccasamuppāda teachings of Most Ven. Mogok Sayadaw.

This diagrammatic presentation is from the perspective of experiential Vipassanā-Dhamma and also aims to showcase the experiential path of Vipassanā and also the holistic 'oneness' of experiential insight beyond concepts (Paññattim Thāpetvā Visesena Passati'ti Vipassanā). I may soon publish an article explaining this "eko dhammo" aspect of experiential practice of buddha-dhamma.

The diagram along with the associated markings is self-sufficient and speaks for itself!

2. This diagrammatic presentation may be said to be based on numerous references and most humbly, I am pleased to report that it has received the blessings/anumodana of several Abhidhamma & Vipassanā teachers of different traditions.

3. I have marked the diagram of this dhamma-wheel as copyrighted material & 'all rights reserved' to ensure that it is not misused, distorted or used for commercial gain. Any individual or dhamma institution willing to use this diagram for any dhamma purpose may kindly email me at < manish.agarwala74@gmail.com >
